Committee Meeting Minutes

03rd July 2014

Present: Shaun (ESL), Alex (Ch)

- 1) **Finances:** The District Explorer finance situation was talked about and where we are at with moving the Vermin funds over. A process is now in place of how funding units will work. We are looking to move over at the start of September. We currently have £499.07 in the Vermin account.
- 2) **Subs:** A discussion was held around increasing subs. They have remained at £30 per term since January 2009. So far this year we are running at a loss, our HQ service charge has gone up and so it is time to put subs up. From September, subs will be £36 per term – this is also the figure that all Explorers across the district will pay. There will also be the option to pay monthly (over all months) at £9 per month. Subs will be apportioned as: £12 per person per term for activities, £5 for admin, £42 for capitation, £25 for rent and the remainder for the unit to use as it needs.
- 3) **Germany:** joint venture with the 1st Norwich – last week of July 2015. Need to look at fundraising ideas. Costs and plans to be released in Autumn term.
- 4) **Members:** 8 leaving over the next 12 months, with only a few coming up from 1st.
- 5) **Committee Members** – to advertise the committee positions available ahead of the AGM.
